HISTORY

Adelaide Smallbore Rifle Club is one of the oldest smallbore clubs remaining in South Australia, originating in the early 1920s as the Adelaide Miniature Rifle Club.

SUCCESS

We are a very successful club, having past and present members who have, and still, represent Australia in many international competitions including the Olympic Games, World Championships, Commonwealth Games, Oceania Games and many other international events.

One of our current members is a Commonwealth Games Gold Medallist and is also a World Championships Team Gold Medallist!

Another member is currently the SA State 50 m Champion and State Dual Range Champion. Two members also hold the current Australian National 50 m Championship title and also the Australian National Dual Range Championship title.

So we are excitingly competitive and extremely keen to share our enthusiasm for such an enjoyable and challenging sport.

VISITORS

We welcome all visitors who want to come and have a go – Mum, Dad and the kids (over 12) – age and gender are no barrier.

We have all the necessary equipment available for use (Sunday mornings by prior arrangement only). Ammunition is included for your first three shoots, and is then available for purchase.

We cater for all levels – those who just want to “have a go”, “just have fun” or compete at club, state, national or international level.

We look forward to seeing you soon!
