

CYCLISTS CLUB

This club is one of the oldest shooting clubs in the State, dating from the turn of the century. The smallbore club is an offshoot of the fullbore club of the same name. During the second world war when fullbore rifles were taken in for the war effort, smallbore shooting (or miniature shooting as it was then known) was the only form available.

Currently Cyclists Club caters for several disciplines, smallbore rifle, fullbore rifle, pistol and shotgun.

The Club meets second, fourth and fifth Sundays of the month, starting time 9.30 a.m.
